PROFESSIONAL SUMMARY

UI/UX Designer with 3.5+ years of experience designing 14 web and mobile products, specializing in end-to-end product design, scalable Figma design systems, and developer collaboration. Experienced in translating complex requirements into intuitive interfaces and using AI-assisted development tools, including Claude Code, to accelerate product delivery.

WORK EXPERIENCE

Mid UI/UX Designer — PCI Tech Center May 2024 - October 2026

- Led end-to-end UI/UX design for 7 web and mobile projects, translating client requirements and usability testing findings into refined user flows, prototypes, and high-fidelity interfaces.
- Designed and built 3 web and mobile applications using Claude Code, collaborating with developers to resolve technical constraints and reducing feature development time by approximately 50%.
- Established centralized Figma design systems with 40+ reusable components, standardizing UI patterns and maintaining design consistency across projects.

Junior UI/UX Designer — PCI Tech Center March 2023 - May 2024

- Designed 75+ screens and 25 user flows across 7 web and mobile projects, delivering wireframes, prototypes, and high-fidelity interfaces, with 3 platforms launched to production.
- Collaborated with stakeholders and developers to clarify requirements, prepare implementation-ready design specifications, and review developed interfaces for visual consistency.
- Delivered developer-ready design handoffs within 1–2 days of requests, supporting Agile sprint delivery and contributing to a team that achieved 100% sprint completion.

EDUCATION

BS in Information Technology, Cum Laude — STI College Novaliches June 2018 - August 2022

SKILLS

- **Product Design:** User flows, information architecture, interaction design, wireframing, prototyping, high-fidelity UI, responsive design, design systems, design handoff, usability testing
- **Front-End Development:** HTML5, CSS3, SASS/SCSS, JavaScript, React.js, Bootstrap, Tailwind CSS
- **Design & Development Tools:** Figma, Figma AI, Claude Code, Jira, Adobe Photoshop, Adobe Illustrator, VS Code, Git
- **Ways of Working**: Agile/Scrum and cross-functional collaboration

CERTIFICATES

- Data Analytics Level III Training Program — TESDA September 2026
- UX Design — Microsoft September 2026
- Generative AI: Fundamentals — IBM April 2025
- Agile 101: Scrum Framework Fundamentals — PCI Tech Center March 2024
- Civil Service Professional Eligibility — CSC Honor Graduate Eligibility January 2023

AWARDS

- **Innovations in Action Award**: Recognized for adopting new technologies to support development. December 2025
- **Agility Award**: Recognized for supporting fast-paced project development and delivery. December 2025
